

PT 195BM + PT 31FT

STITCH FOLDER AND TRIMMER

The Graphic Whizard PT 195BM Bookletmaker, featuring an optional PT 31FT Face Trimmer, is a fully automated stitch and fold booklet-making system designed for mid-volume production. Capable of processing pre-collated sets up to 3,000 booklets per hour, making it ideal for busy commercial print shops.

FEATURES

- Equipped with long-run stitching heads and active clinchers for reliable, high-volume production.
- Utilizes 5 lb. spools of stitching wire, significantly reducing the cost per piece compared to standard staple cartridges.
- Features a 5" (127mm) color touchscreen for effortless job programming and quick recall of pre-stored jobs.
- Automatic side guide adjustments allow for quick and seamless transitions between different booklet sizes
- Simply input your desired finished length, and the machine automatically adjusts for accurate face trimming.
